Homecoming Football Game Pharmacy Alumni

A Message from Linda Garrelts MacLean
Associate Dean for Advancement

Dear Alums, Colleagues and Friends of Pharmacy,

Happy spring from all of us at the WSU College of Pharmacy! We are getting closer to the completion of our new pharmacy building in Spokane, so I wanted to provide you with an update about this and other activities.

NEW BUILDING

We are eagerly awaiting the completion of our new Pharmacy and Biomedical Sciences Research Building, which should be ready for occupancy by November. As you may be aware, pharmacy is leading the creation of a new biomedical and health sciences model at the WSU Health Sciences Campus in Spokane. Beginning in August (even before the building is complete) our pharmacy program will be consolidated and both students and faculty will have the opportunity to learn with and conduct research on interprofessional teams. This is such an exciting time for the College of Pharmacy! If you would like to see the building's progress in real time, [click here](#). If you would like a tour of the new building, please send me an email and we will make those arrangements.

DONOR APPRECIATION EVENT

If you are going to be in Spokane on Friday, April 19th, please make plans to join us at our annual Donor Appreciation Event. The event will feature a reception and light hors d'oeuvres starting at 4:30 p.m. in the South Campus Facility on the WSU Health Sciences Campus in Spokane. The program will conclude by 7 p.m. Come join us and get reconnected with the College! You'll be among fellow alums, current students, faculty, and staff for a fun evening to honor our "Faculty of the Year" and other distinguished friends of the College. Please email gocougs@pharmacy.wsu.edu or call 509-368-6675 to RSVP.

RETIREMENT

A retirement celebration for Bill Gaskins, an adjunct faculty and preceptor for more than 40 years at Pullman Regional Hospital, is scheduled from 2 to 5 p.m. on Friday, May 17, at Pullman Hospital. We've been asked by the hospital to help spread the word among fellow Cougar pharmacists and anyone who knows Bill. If you would like to attend, please RSVP by May 6 to the hospital's Director of Pharmacy Andrea Howell at: andrea.howell@pullmanregional.org.

If you have memories, stories, good wishes, or photos of Bill that you

would like to share with him, please send them to Andrea by May 6. Stay tuned about the possible establishment of a scholarship fund at the WSU College of Pharmacy to recognize the many accomplishments of Bill Gaskins.

MARGUERITE VILLARS

Speaking of famous WSU preceptors, Marguerite Villars recently turned 90 years old and is still going strong! The Spokane Pharmacy Association has launched an effort honor Marguerite's contribution to the pharmacy industry by establishing an endowment in her honor at the WSU College of Pharmacy. Details about the endowed scholarship can be found on the [SPA website](#). If you would like to make a donation to this effort, you can link the WSU giving site through the SPA page or go directly to: www.pharmacy.wsu.edu/give

STEVE SETTER

It is with great sadness that we learned Steve Setter passed away recently at his home in Spokane. Steve was instrumental in the professional development of so many individuals. Heidi Marie Windham MacMaster from the Class of 2005 described how many of us feel when she wrote, "He will be missed greatly and we were so fortunate to have trained under him. We are better pharmacists because of his work." There is a wonderful video of Steve working with patients at Elder Services that can be viewed [here](#).

Rx ALUMNI ASSOCIATION

Don't forget to join the Pharmacy Chapter of the WSU Alumni Association. Dues are only \$20 per year (plus \$45 if you are not currently a WSU Alumni Association Member). You can join through the [WSUAA website](#).

With Cougar Pride,

Linda Garrelts MacLean, BPharm, RPh, CDE
